Projects selected to move ahead in 2019
Project not selected to move ahead in 2019

Note 1   The above list of projects is presented in priority order

Note 2   Projects denoted with a (B) need to be constructed together to obtain cost savings due to their proximity to one another. Working from top to bottom in priority order, there is insufficient remaining funding to proceed with all of the projects denoted with a (B) and as such they will not move ahead in 2019.

Note 3   There is insufficient remaining funding to proceed with project RH-6 in 2019. As such, the next available candidate was selected in priority order
