I had a carpenter employment injury in 2011 which, unfortunately left me crippled and bed ridden for 2 years. After that I was assessed with less

than 50% capabilities and placed on a disability pension with the government of Canada, also received a union partial. In January 2018 the

inguinal hernia breached and became massive leaving me in worsened, bed ridden condition which had its costs. I was scheduled for a re-

operation which was delayed due to related health issues, then COVID arrived and delayed that 2 more years.

As per document attached to this email

My son helped me through this 4-year duration by renting land to store vehicles and RV's so I can make monthly tax payments of 350\$. I will also be making additional payments throughout the year. The goal here is to have this balanced in 3-years. Wayne has advised me and is pleading for penalties to be revoked, as long as I maintain monthly payments or they will be reinstated if I were to fail on the payment plan agreed upon.

I am happy to report that Dr. Andruchow was successful on May 3<sup>rd</sup> and I am in full recovery at 75% and improving weekly as she is a marvelous surgeon. I would like to thank you all for giving me the time to explain my situation and I look forward to having this issue resolved.

Kindest regards
