Re: Forgiveness of Loan payment for 2018

The Morinville Municipal Seed Cleaning Co-op Ltd would again like to ask for forgiveness of the 2018 payment on our loan with the possibility of also forgiving the final payment of 2019 as well.

As you can see from our past financials, the plant has undergone some extreme financial hardship. While we are first and foremost a seed cleaning facility, we will continue to move forward to attract new business. In doing so we need to make sure our infrastructure is capable. Plant maintenance is ongoing with still the main issue of the dust system.

While I understand there has been some resistance in forgiving this loan payment in the past, I hope that the presentation I gave in November at council shed some light on where the plant has been and where we hope the future to be.

Warmest regards,

Cora Krywko
Plant Manager
