

Précis of Motions from Oct 11, 2016 Regular Meeting of the Town of Morinville Council

That Council directs Administration to engage ATB, with input from Council and the Arena steering committee, to develop a site plan and buildings design for a new Arena with walking/running track, fitness centre and public commercial space with anticipated construction to begin in early 2017.

Furthermore, to formally request a funding allotment from Sturgeon County through their newly revised C.A.R.F program for the arena project,

Furthermore, upon approval from Sturgeon County Council on October 25, 2016, to jointly develop a business case for the Multi-Use Recreation Facility Project, which includes a field house, second arena, aquatics complex, curling rink, public and commercial space, to be completed by December 31, 2016 at which time it will be used to apply for the infrastructure grant funding from the federal and provincial governments anticipated in early 2017.

Carried 7-0
