

# FIRE UNDERWRITERS SURVEY

A SERVICE TO INSURERS AND MUNICIPALITIES

---

c/o Risk Management Services

October 31<sup>st</sup>, 2018

<b>RECOGNITION FOR FIRE INSURANCE GRADING RECEIVED</b>
--------------------------------------------------------

*Sturgeon County  
Calahoo, Gibbons, Bon Accord, Redwater, Legal and Morinville F.S.*

## **Superior Tanker Shuttle Service - Accredited**

I am pleased to advise you that the above-mentioned firehalls within Sturgeon County, Alberta were recently registered in the fire insurance grading index as being accredited for the delivery of Superior Tanker Shuttle Service.

The requirements for this accreditation are stringent and verify that the fire protection district is capable of delivering the minimum accepted fire flows to detached dwellings throughout the fire protection district and within 8 kilometres by road of the responding fire station. This accreditation is an equivalency to the minimum requirements for hydrant protection as set out by the insurance industry and the Fire Underwriters Survey.

Fire Underwriters Survey has provided information on fire protection and risk levels to the insurance industry in Canada since 1883. Fire Underwriters Survey was previously operated under the auspices of the Insurers Advisory Organization and CGI, however is now operated by SCM Risk Management Services.

Should you have any questions or concerns related to the Fire Underwriters Survey, the Superior Shuttle Accreditation process or any other related area, please feel free to contact us for further information.
