Future Integrated Facilities

- Eco-Station/recycle depot/reuse center
The full potential of reuse and recycling has been hindered by the quality of our existing facilities. It is the goal of the Commission to:
 - Improve safe disposal
 - Encourage greater resident participation in separating materials
 - Improve inclusive growth
 - Provide innovative elements and features to our site
- Regional Examples of integrated facilities
 - Broadview Enviroservice Station in Sherwood Park
 - Eco Center in City of Spruce Grove
 - Eco Stations in City of Edmonton
 - Eco Station in City of Leduc
 - Mike Mitchell Recycling Depot in City of St Albert
