<b>Title</b>	<b>Bylaw 1440/19 – Closure of Road Plan 7770Z (First Reading)</b>
<b>Proposed Motion</b>	That Council give first reading to Bylaw 1440/19.
<b>Administrative Recommendation</b>	That Council give first reading to Bylaw 1440/19 to close Road Plan 7770Z. The closure of this road allowance will allow the Sturgeon School Division No. 24 to consolidate the Camilla school site into one parcel.
<b>Previous Council Direction</b>	<p><u>April 24, 2018</u></p> <p>Motion 127/18: That Council approve a Resolution to temporary closure of a portion of road in Rivière Qui Barre described as:  Plan 7770Z  All that portion of road lying north of a line drawn from the southeast corner of Lot 3 to the southwest corner of Lot 18 on said Plan and lying south of a line drawn from the northeast corner of Lot 10 to the northwest corner of Lot 11 on said Plan.</p> <p>Motion 128/18: That Council authorize the County Commissioner to enter into a License Agreement, for the area of the temporary closed road, with the Sturgeon School Board.</p>
<b>Report</b>	<p><u>Background Information</u></p> <ul style="list-style-type: none"> <li>• In April 2018, Council approved a temporary closure of this section of road to allow the Camilla School Replacement Project to proceed. As part of the project, the School Board is required to consolidate the lots into a single parcel.</li> <li>• In 1969, Sturgeon County (formerly Sturgeon No. 90) and Alberta Transportation (formerly the Ministry of Highways) approved Bylaw 93/69 to close this portion of road and to consolidate it into the lands owned by the Sturgeon School Division No. 24.</li> <li>• After reviewing Bylaw 93/69 and enquiring with Alberta Land Titles (LTO), it was confirmed that although this bylaw was approved it was never submitted to LTO, and therefore never closed. It was also determined by LTO that the road description contained within the bylaw was invalid and that a proper metes and bounds description was required as part of the new bylaw.</li> </ul>

	<ul style="list-style-type: none"> <li>Administration discussed the 1969 Road Closure Bylaw with Alberta Transportation (AT), and it was determined that a new road closure is necessary.</li> <li>This process will follow Alberta Transportation procedures for road closures.</li> <li>Council must give first reading to the bylaw prior to submitting the signed, dated original bylaw to the Minister of Transportation for approval. A Public Hearing is also required prior to sending the bylaw to the Minister of Transportation for approval.</li> <li>The School Board could be defined as a non-profit organization under s. 241(f) of the <i>Municipal Government Act</i> (“as an entity established under a law of Canada or Alberta for any purpose other than to make a profit”). This means that the County may choose to transfer the land to them for less than market value.</li> </ul> <p><u>External Communication</u></p> <ul style="list-style-type: none"> <li>Notifications of the road closures were sent to all third-party interests for parcels adjacent to the proposed closure area.</li> <li>Public Hearing notifications will be sent out to all landowners within 800m of the proposed road closure area. The Public Hearing will be advertised in the local newspaper.</li> </ul> <p><u>Relevant Policy/Legislation/Practices:</u></p> <ul style="list-style-type: none"> <li>Section 22 of the <i>Municipal Government Act</i></li> <li>Section 38.1 of the <i>Highways Development and Protection Act</i></li> </ul>
<p><b>Implication of Administrative Recommendation</b></p>	<p><u>Strategic Alignment:</u></p> <p><b>Planned Growth and Prosperity</b> – The proposed Road Closures are in alignment with Goal 1.2 – “<i>Sturgeon County plans for responsible growth through the Sturgeon County Municipal Development Plan and regional growth management plans</i>” and Goal 1.3 – “<i>Sturgeon County manages growth for current and future developments</i>”, of the Strategic Plan. MDP Neighborhood B directs growth and development to the Hamlet of Rivière Qui Barre, and the closure of this road allowance will allow for a new school in that areas to be constructed.</p> <p><u>Organizational:</u></p> <p>Administration will coordinate the signing for first reading of the attached Bylaw and forward to the Minister of Transportation for review and approval, following the public hearing. Once the Minister has signed the bylaw, it will come to Council for consideration of second and third readings.</p> <p><u>Financial:</u></p> <p>None.</p>
<p><b>Alternatives Considered</b></p>	<p>Council could choose to defeat Bylaw 1440/19 at first reading.</p>

<b>Implications of Alternatives</b>	<p><u>Strategic Alignment:</u> This action would not align with previous County direction, such as working with the School Board in 1969 to close this section of road or in 2018 when the County approved the temporary closure in advance of the permanent closure.</p> <p><u>Organizational:</u> The bylaw would not be forwarded to the Minister of Transportation.</p> <p><u>Financial:</u> Unknown.</p>
