Title	Bylaw 1513/20 – Temporary Mandatory Face Coverings Bylaw
Proposed Motions	<ol style="list-style-type: none"> 1. That Council give first reading of Bylaw 1513/20. 2. That Council give second reading of Bylaw 1513/20. 3. That Council consider third reading of Bylaw 1513/20. 4. That Council give third reading of Bylaw 1513/20. 5. That Council mandate the wearing of face coverings in County facilities located outside of the municipal boundaries of Sturgeon County consistent with the provisions of the Temporary Mandatory Face Coverings Bylaw.
Administrative Recommendation	Administration recommends that Council give three readings of Bylaw 1513/20 to temporarily mandate face coverings in public spaces in Sturgeon County. Further, Administration recommends that Council require face coverings to be worn in County facilities located outside of Sturgeon County's municipal boundaries consistent with the provisions of the proposed bylaw.
Previous Council Direction	<p><u>August 11, 2020 Council Meeting</u></p> <p>Motion 351/20: That Council direct Administration to continue to monitor active COVID-19 cases in the Sturgeon County region and provide an update to Council at the August 25, 2020 Council meeting and send a letter to Government of Alberta advocating for provincial leadership with respect to the mandating of face coverings in public spaces.</p>
Report	<p><u>Background Information</u></p> <p><u>Government of Alberta Information on the Use of Face Coverings</u></p> <ul style="list-style-type: none"> • Since the beginning of the COVID-19 pandemic in March 2020, residents of Sturgeon County have made great efforts to reduce the transmission of the virus by physical distancing, practicing good hand hygiene, and staying home if sick. • The Government of Alberta states that face coverings can be an effective measure for reducing the spread of COVID-19, especially when combined with other prevention measures, including physical distancing, good hand hygiene, and staying home when sick. • While wearing a homemade or non-medical mask has not been proven to protect the person wearing it, it can help others from being exposed

to the virus. Masks are a complement, not a replacement, to other preventative measures.

- To date, neither the federal nor the provincial Chief Medical Officer of Health have imposed requirements on the use of masks or face coverings in public spaces. The use of masks and face coverings continue to be a recommendation.

COVID-19 Response in Sturgeon County

- At the August 11, 2020 Council meeting, since there were only 2 active cases of COVID-19 at that time, representing a case rate of 3.6 per 100,000, Administration recommended that the active case rate continue to be monitored and that Administration keep Council updated on the status of the virus within the Sturgeon region.
- The Government of Alberta designates regions in the province as Open, Watch, or Enhanced Relaunch status according to the level of risk and number of active cases.
- On August 18, 2020, the Sturgeon region moved from an Open designation (low level of risk; less than 50 active cases per 100,000 people) to a Watch designation (provincial monitoring and discussions with local governments about the possible need for additional health measures; at least 10 active cases and more than 50 active cases per 100,000 people).
- At the time of writing this report, the Sturgeon region has 16 active cases and an active case rate of 57.2.
- In response to the Sturgeon region being moved to a Watch designation, on August 18, 2020, the Mayor called a Special Council Meeting for Council to consider a temporary mandatory face coverings bylaw.

Comparison of Face Coverings Bylaws in other Edmonton Metropolitan Region Municipalities

- A number of municipalities in Alberta have passed bylaws mandating the use of face coverings in public spaces. Attachment 1 provides a summary of mandatory face covering bylaws in the Edmonton Metropolitan Region.
- Summaries of the detailed provisions of Edmonton Metropolitan Region municipalities that has passed a face coverings bylaw are provided in Attachment 2, as well as a summary of the proposed provisions of Bylaw 1513/20 to temporarily mandate face coverings in Sturgeon County.

Face Coverings in Sturgeon County Facilities

- If passed, Bylaw 1513/20 would apply to Sturgeon County facilities within the County's municipal boundaries, but would not apply to facilities in other municipalities, such as County Centre, which is located within the Town of Morinville.
- In order to promote the health and safety of residents and County employees, Administration recommends that Council pass a resolution

	<p>mandating the wearing of face coverings in County facilities located outside of the County's municipal boundaries consistent with the provisions of Bylaw 1513/20.</p> <ul style="list-style-type: none"> • Complimentary non-medical masks would be provided at County facilities for patrons who do not have one. • Administration would continue to promote physical distancing at County-operated outdoor locations such as parks and sports fields. <p><u>External Communication</u></p> <ul style="list-style-type: none"> • If Bylaw 1513/20 is passed, Administration will communicate the Bylaw through a press release, interviews with the media, by posting information on the County website, and through road signs. • Administration will also provide support to County businesses and other organizations that will require that patrons wear face coverings in accordance with the provisions of the Bylaw. <p><u>Relevant Policy/Legislation/Practices:</u></p> <ul style="list-style-type: none"> • <i>Municipal Government Act</i>, section 7
Implication of Administrative Recommendation	<p><u>Strategic Alignment:</u></p> <p>Strong Local and Regional Governance – Passing a bylaw mandating the wearing of face coverings shows regional leadership in an effort to reduce the transmission of the COVID-19 virus.</p> <p>Maintain and Enhance Strong Communities – A face coverings bylaw promotes public safety.</p> <p><u>Organizational:</u></p> <ul style="list-style-type: none"> • Administration would make efforts to educate the public on the Bylaw. Education would precede any enforcement efforts. <p><u>Financial:</u></p> <ul style="list-style-type: none"> • None.
Alternatives Considered	<ol style="list-style-type: none"> 1. Council could amend Bylaw 1513/20 before passing it. 2. Council could defeat Bylaw 1513/20.
Implications of Alternatives	<ol style="list-style-type: none"> 1. The implications of an amended bylaw are dependent on the amendments proposed. 2. A decision to defeat Bylaw 1513/20 would result in face coverings continuing to be a recommendation in public places and public vehicles in Sturgeon County and not a requirement.
Follow up Action	<ol style="list-style-type: none"> 1. Obtain Mayor and CAO signatures on the Bylaw (Legislative Services, August 2020). 2. Communicate the Bylaw to the public (Corporate Communications, August 2020).

	3. Communicate requirement of wearing face coverings in County facilities outside of Sturgeon County municipal boundaries to employees (Corporate Communications and CAO Office, August 2020).
