It has come to our attention that Road Plan 4454EO, which was registered at Land Titles on July 24<sup>th</sup>, 1931 is not shown as an exception on your title.

- It was originally shown as an exception to the title for RL 64, St Albert Settlement up to April 6, 1961, as shown on Certificate of Title No 80D185.
- A title re-write was done to clean up the description of the parcel, but unfortunately, the re-write instructions missed the exception to Plan 4454EO.
- Needless to say, the resulting title 229-P-185 no longer showed that exception.
- Land Titles does not have any record of the road ever being cancelled.
- Alberta Transportation was consulted and their records do not show a closure either.

As per Section 61(1)(c) of the Land Titles Act, the Road Plan 4454EO has since been added as an exception on your title. Enclosed with this letter are:

- a copy of your Certificate of Title showing the added road exception in A)
- copy of historical titles showing the exception (80-D-185)
- a copy of re-write instruction 325MG
- copy of the resulting title (229-P-185)
- copy of Road Plan 4454EO
- copy of Section 61 of the Land Titles Act

If you have any questions about this matter, please feel free to contact our office.
