

## **Request for Decision**

Title	Honourary Street Naming				
Proposed Motion	That Council approve the honourary naming of a portion of Range Road 265 between Highway 633 and Ferland Drive after Pat and Simonne Sheehan to honour their legacy and recognize their contributions to the community of Villeneuve.				
Administrative Recommendation					
Previous Council Direction	No previous direction.				
	<ul> <li>It is very common for municipalities to have naming policies in place to provide for opportunities to recognize and commemorate persons, including early pioneers, who have made significant contributions within the local jurisdiction.</li> <li>Pat and Simonne Sheehan exemplified common criteria included in some municipalities' naming criteria. For example, the City of Edmontor criteria includes:         <ul> <li>People who demonstrate excellence, courage or exceptional dedication to serve in ways that bring special credit to the City of Edmontor criteria.</li> </ul> </li> </ul>				
	<ul> <li>Edmonton, Province of Alberta, or Canada.</li> <li>A person who volunteers and gives extraordinary help or care to individuals, families or groups, or supports community services or humanitarian causes.</li> <li>From a process perspective:</li> </ul>				
	<ul> <li>The extent of the locally named road is contained within the limits of the subdivision.</li> </ul>				
	<ul> <li>We are not officially introducing an alternate name for the roadway.</li> </ul>				
	<ul> <li>We are proposing two street name blades located at the corners of intersections as indicated on the attached map.</li> </ul>				
	<ul> <li>The honourary name will not be included on maps, directional o designation signage.</li> </ul>				

	<ul> <li>Honourary street name signs will be posted below standard street signs without changing the official name of the street or the official addresses of residences and businesses within Villeneuve.</li> </ul>				
	External Communication				
	• All communication regarding this initiative has been through the area Councillor.				
	Relevant Policy/Legislation/Practices:				
	• In the absence of any County policy, Administration referred to the recommended practices adopted by Alberta Transportation.				
Implication of	Strategic Alignment:				
Administrative Recommendation	<b>Community Identity &amp; Spirit</b> – Long-time residents of our community are proud that Sturgeon County is their home, feel connected to their community and have a strong sense of belonging.				
	Organizational:				
	Once the sign standard is approved by Council there is very little impact to the organization.				
	<u>Financial:</u>				
	The estimated cost for two blades and the hardware is less than \$300 plus the cost of posts and labour.				
Alternatives Considered	Renaming the road is an option that was not considered given the complexities with Canada Post and Alberta Transportation and impacts to mailing addresses.				
Implications of Alternatives	Strategic Alignment:				
	There is no strategic benefit to proceeding in this manner.				
	Organizational:				
	Many municipalities are embracing the honourary street name because the process is quicker and easier.				
	<u>Financial:</u>				
	This alternative comes with higher indirect costs.
