### **Agricultural Engagement Strategy Report**

1. That the Agricultural Engagement Strategy Report, as provided as Attachment 1, be accepted as a guiding document towards the development of an agricultural support strategy with a report back to Council in Q4 2018.
2. That the Mayor be authorized to submit the Agricultural Engagement Strategy Report findings (Sections 1.0 through 3.0) to the Edmonton Metropolitan Region Board, as part of requested input towards Phase I of the Regional Agricultural Master Plan development process.
3. That the Sturgeon County Strategic Plan be amended to clearly reference support for the agriculture sector as a community and Council priority, and as a key component of the County's brand identity.
